

Christmas Tree Recycling

**December 28
through
January 15**

Live trees can be dropped at these CARRS/Safeway locations-
Look for barriers marking designated areas!

- Anchorage (all locations)
- Eagle River
- Palmer

Avoid the naughty list! Stay on Santa's "good list"....abide by these rules:

- ✓ Live trees only (no wreaths)
- ✓ Trees should be free of all decorations, lights and plastic bags
- ✓ Place trees in designated areas only (look for barriers)

You can also recycle holiday string lights and bulbs for free in Anchorage (Dec 28-Jan 15):

- Anchorage Recycling Center: 6161 Rosewood St.
- Total Reclaim: 12050 Industry Way, #10

Want Help?
For a small donation/optional fee call (907) 868-8899 to have your tree picked up by a youth group.

Trees are turned into wood chips and distributed to schools, non-profits and used to beautify gardens, trails and parks. Please thank our sponsors who made this happen:
